There is no Scrutineering Bay. The Scrutineers will visit each car in due course and will start with the '700' cars, and then the other cars starting with 1. Drivers/Entrants attention is drawn to the requirements of the MSA yearbook in respect of timing struts. Cars without a timing strut cannot compete. Engines must not be run before 9.00 a.m. or after 6.00 p.m. Noise inspections may be conducted on all cars before practice. Any car failing this test as defined by the MSA Regulations will be reported to the Clerk of the Course and may not be allowed to compete until it passes the noise test. Any vehicle deemed to be excessively noisy during the event may be excluded by the Clerk of the Course

7. WALKING THE COURSE. After they have signed on and had their cars scrutinered; drivers may walk the course and should aim to be at the top of the hill by 9.50 a.m

8. PROHIBITED AREAS - Assembly Area The Assembly Area is situated at the bottom end of the paddock. All cars must proceed to the Assembly Area before their practice session or race. The public and children (including competitors' children) **will not** be allowed at the above areas. Each competitor will be allowed a maximum of two mechanics/helpers within the Assembly Area.

9. PRACTICE & TIMED RUNS

Please note that Practice and Timed Runs will proceed in the order as shown in these instructions (unless otherwise notified by an official bulletin) Drivers must be prepared to proceed to the assembly area and be in place a minimum of 10 minutes before their practice session and timed run start times. Paddock announcements may be made throughout the day, but it is the drivers' responsibility to ensure they make their own way to the assembly area and are in place in good time.

9 (a) There will be 2 timed runs. Timed runs will commence with Cars numbered 700, and then cars in Classes 1 and the remaining Classes in class order. Cars must run in strict numerical order. Competitors are required to assist the organisers by ensuring they are in the correct order before descending from the top holding paddock to the start line.

9 (b) If time allows and at the sole discretion of the organisers, there may be an extra run for competitors who have set the 10 fastest times in the timed runs. They will compete for the Top Ten awards. The Judge of Fact will decide who is eligible to compete in the Top Ten runs. If any of the competitors who are invited to compete are not able to start the first Top Ten run, their place will be offered to the competitor setting the next fastest time until all 10 places have been filled.

10. Transit between the paddock and the track, before and after any practice or timed runs, must be at minimum revs and speed. Competitors must remember that members of the public may be present in the paddock and in areas between the paddock and the track and they should be prepared to give way, or stop if needs be, to avoid contact between their cars and members of the public.

11. RED FLAG: Should any Practice or Timed Run be stopped a **RED FLAG** will be displayed at signalling points around the circuit. On display of these flags, Competitors must slow down and stop, and only proceed as instructed by the marshals and Clerk of the Course. Competitors must be aware that the track may be blocked or that there may be Rescue Vehicles on the track at this time.

12. PRACTICE TIMES AND FINAL RESULTS: Practice Times will be posted on display at the Secretary's Office. Final Results will be posted on display at the Secretary's Office at the end of the event.
